TERRIERS

The Terriers "Experience" - How and Why We Are Different

We are a Sports Based Youth Development organization building life and leadership skills in safe, fun and supportive environments. We create unique and rewarding athletic and social experiences for children by providing fun and enjoyable environments for kids to relax, enjoy unstructured play and participate in team sports. We eliminate the pressure and scrutiny kids are often subjected to in many of today's youth sports programs. While all of our programs offer organized activities and skill development, we also value equally the benefits of free play. The American Academy of Pediatrics (AAP) recognizes free and unstructured play essential for helping children reach important social, emotional and cognitive developmental milestones as well as helping them manage stress and become resilient. Many years of sincere "thanks" from our parents and participants tell us that we do this well and we look forward to another great year at Terriers!
